

Warranty Activation and Extension Card

In order to activate or extend your warranty with Filtropur™, for the Filtropur™ Automatic Furnace Filter System and to protect against fraudulent warranty claims you must write the serial number of corresponding unit, sign this card and return to Filtropur™. Signing and returning this card will activate your warranty. You may also register on our web site at www.filtropur.com.

Your signature will permit the manufacturer of authorized Filtropur™ dealer to call you even if your phone number appears "on the do not call" list.

Thank you for your purchase of the Filtropur™ product.
